January 2010

Dear Business Owner & Community Member:

As a member or business owner in the Lebanon community, you may be aware of the Lebanon Warrior Youth Football League. The L.W.Y.F.L. was founded in 2003 and serves Lebanon children in grades 1<sup>st</sup> – 6<sup>th</sup> (football and cheerleading). Since our inaugural season, we've increased our membership from 200 to 550. We attribute our growth to a number of things; good planning, support from the community and a lot of luck.

During our first two seasons, we were very fortunate that Lebanon City Schools opened their varsity field to us, which saved our program the initial expense of building a new facility. However, with our continued growth, it was clear that we needed to find a permanent home for our kids and to limit the wear and tear on the varsity field.

As such, we were extremely pleased that Lebanon City Schools stepped up and provided us a lighted area where we constructed a youth football field. We are continuing to use our facility at the High school on Drake Road and the need for improvements continues. We have 20 teams total that use our field and there is approximately 110 games played there annually, as you can imagine the need to keep the field safe is paramount and maintenance to the facility is ongoing.

In the spirit of developing a good partnership with the Lebanon City Schools and the community, the LWYFL moved forward with a \$100,000 capital improvement project to build a first class football field which serves as our home field as well as providing the Lebanon High School Band a beautiful site to practice. The project was a donation from the LWFYL to the new school for allowing us to use their facility. I am pleased to say that our forward-thinking prepared us for this activity and we were able pay off the entire balance of the first phase in just one season. It took a lot of work and a lot of support from members of our community but we accomplished our goal.

Our Phase one capital improvement project included the following.

- Grade and Sod a new playing surface
- Permanent installation of the following:
  - Elevated Grandstands (450 Seat Capacity complete with Wheel chair access)
  - Press box
  - Score board
  - Goal posts
  - PA system
  - Purchase of Concession equipment and trailer
  - Sprinkler System

Our vision is to continue to make some needed improvements as well as some cosmetic work which will better help us serve our members as well as our visiting organizations.

Our future projects include

- Field Drainage (est \$5,000) - COMPLETED 2009
- Re crowning of playing surface with sod (est. \$6,000) COMPLETED 2009
- Walk ways (est. \$5,000) COMPLETED 2009
- Completion of the fence on the East side of playing surface (est. \$9,000)
- Permanent Visitor stands with concrete slab (est.\$20,000)
- Permanent concession stand with electric and storage (\$25,000) - COMPLETED 2009
- Extend walkway to visitor's bleachers. (est. \$3,000)
- Landscaping. (est. \$5,000)

As an incorporated not-for-profit organization, these improvements cannot take place without help from somewhere else so that is why we are coming to you. It is our hope that we will be able to complete phase II of this project without the need to borrow any money. To meet our goals, we will continue to work on raising money with fund raisers, concessions, spirit wear and more.

We would like to again look to members of the community, as well as local business and corporations for support this year. With that said, we would appreciate any financial support you (or others you may know) could dedicate to our project. Our board sees this as an opportunity to provide a quality football facility for current and future residents. As a sponsor you will receive the following; All sponsors will be listed on our league banner, which will be posted at every home game, your name announced during half-time of each game, a listing on our league website with a direct link to your company.) We will also run a full page ad in the local paper at the end of the year thanking you for your support.

Thank you in advance for your consideration and support.

Please feel free to contact me directly if you have any questions or wish to discuss how you can contribute to our league's exciting growth. You can also see pictures of our field by visiting our web site at [www.lebanonwarriorfootball.com](http://www.lebanonwarriorfootball.com) Click on Photos. My phone number is (513) 934-5512.

Regards,

Tim Tepe  
President LWYFL
