

2009 Lebanon Warrior Football Camp

Camp Goals

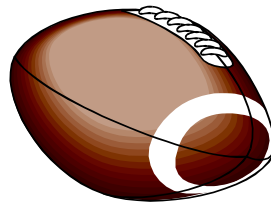

This year's Football Camp is dedicated to each player's improvement in the fundamentals of the game. It will be a working camp in which players will be hard pressed to outwork the coaches.

Coaches will stress improvement through drill work, competition, and enthusiasm. The main goal is to send each player back home better than when he arrived and ready to jump right into practice.

Our staff is **committed** to passing along the basic fundamentals that will give each player the best chance to compete and win.
